## Center For Siouxland

*"Mommy, I'm still HUNGRY!" pleads 3 year old Maddie as she finishes the canned soup her family had for supper. Her mother wishes there had been bread to serve with the soup but they have been out of bread for 5 days.*

Dear Friends,

Imagine how heart wrenching Maddie's words are to hear if you are her mother and do not have enough food for your family. Center For Siouxland helps families like Maddie's everyday by providing food from their pantry and referring families to additional services that they may be able to benefit from. Please consider making a donation to ensure that services are available when someone has needs. Center For Siouxland programs include: a pantry, utility assistance, prescription assistance, Consumer Credit Counseling, housing counseling, Retired and Senior Volunteer Program, 2-1-1 Center, Bridges West transitional housing for the homeless and Client Trust.

Helping People Help Themselves,

  
Russ Weppers  
Chair, Board of Directors  
Center For Siouxland
