

Bank of America Donates \$30,000 to Center For Siouxland

Bank of America conducted a check presentation on Feb. 2, 2010 at Center For Siouxland as the agency was a recipient of a technical assistance grant. "Bank of America has a long history of providing meaningful and impactful assistance to communities—even during challenging economic times such as these—because we know that leadership is even more critical to help area non profits," said Scott Bergerhaus, Regional Market Manger, Bank of America. "We are responsive to the needs of area residents and have a long history of supporting organizations right in the heat of Sioux City neighborhoods," added Monique Scarlett, Community Bank Executive, Bank of America.

Russ Wermers, Board Chair, states " We are extremely grateful to receive this donation which allows us to continue to provide much needed services to the members of our community." This donation will be used for operating support to enable the agency to continue providing an array of programs in Siouxland such as Consumer Credit Counseling, HUD Certified Comprehensive Housing Counseling, Bridges West Transitional Housing for the homeless, Client Trust, 2-1-1 Center, pantry, utility and prescription assistance and the RSVP program.
