

Jason is the Owner/General Manager of Fyre-Tec, a window manufacturing company based out of Wayne, NE. Prior to purchasing the business, he served as Market President for Wells Fargo in Sioux City and spent 18 years in the banking industry. Jason is passionate about serving our community through empowerment programs and working with our youth. Additionally, he actively volunteers in coaching football, basketball and baseball, serves as Vice President on the Sergeant Bluff Little League Board and is an active volunteer with Sunnybrook Community Church and Siouxland Habitat for Humanity.

In his leisure Jason spends the majority of his time with his wife (Cheri) and their four children. They enjoy all sporting activities and especially boating, fishing, camping and traveling. Their most recent family adventure was an 8-day houseboat trip in Voyageur National Park.
